Position: Entry level software developer

Who We Are

MLJ Environmental is a small consulting firm located in Davis, California that develops customized software solutions for its clients. We have over 25 years of experience protecting the prosperity of communities and their natural resources. We simplify regulatory compliance with innovative approaches to science and data. MLJ Environmental is seeking an entry level, software developer to join our team. Our staff are bright, innovative individuals who are interested in taking on new challenges within their careers. We are looking for someone who is interested in gaining experience across the process of software development. This person should be comfortable working both independently and in a small group. We are seeking an individual willing to learn, be flexible and creative. We are a dog friendly office.

Schedule and Salary

This is a non-exempt, hourly position with weekly hours ranging from 30-40 hours a week. The hourly rate is \$25.00-\$35.00 based on experience. Full time employment benefits include health, vision, dental and life insurance. Other benefits include vacation, paid holidays, sick leave and a 401K plan.

Example of Duties

Essential functions may include but are not limited to the following:

- Develop Microsoft ASP.NET MVC web applications using C#
- Use Visual studio for application development
- Problem solve technical hurdles
- Collaborate with testing team, design team, and implementation team
- Identify and address performance concerns
- Other duties as assigned

Qualifications

- Currently nearing completion or have completed a bachelor's degree in Computer Science/Computer Engineering/CIS/MIS or a related field.

Skills

- Knowledge of HTML5, CSS, SASS, Javascript, JSON and JQuery.
- Some knowledge of relational databases (SQL, MySQL, MSSQL).
- Exposure to cloud technologies (Amazon Web Services/AWS).
- The ability to adapt and work on multiple different projects in the same day.
- The ability to work in a collaborative environment and communicate. Examples include team white board sessions, storyboarding design concepts, and fleshing out pros and cons of various design options.

To apply please send a 1) cover letter, 2) resume, and 3) contact information for three references, to TTurner at mljenvironmental.com; please reference where you heard about this position in the email. Applications missing any of the above may not be considered for this position. Resumes will be accepted until **5:00 p.m., Friday, January 10, 2020**. No phone calls please. Additional information regarding MLJ can be found on our website at www.mljenvironmental.com.
